TO WHOM IT MAY CONCERN

The Ministry has known Centre for Agro-enterpreneurship and Sustainable Livelihoods Trust as an active registered youth organisation based in Mazowe District. They have undertaken multiple developmental programs in environment, water, climate change, entrepreneurship and youth empowerment in the community.

They have represented the community on various forums such as the Zimbabwe National Young Leaders Summit (2012), National Climate Change Response Strategy Consultations(2013) and the National Water Policy Conference(2015). Currently, they are running a smart agriculture demonstration centre in the district.

We, therefore, recommend them for any opportunity that may arise.

Yours Faithfully,
